Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Jernigan Water Main Extension project in fiscal year 2023. The entity to receive funding for this project is Town of Leakesville, located at 301A Lafayette Avenue, Leakesville, MS 39451. The funding would be used to install 42,500 feet (approximately 8 miles) of water main to provide clean drinking water to residents in an unserved area, thus consolidating water supplies, protecting residents from the danger of contaminated water from shallow, private wells, and alleviating pressure problems in the Town's existing system by connecting both ends of the extension to the existing distribution system. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Steven M. Palazzo
